

Chelsea Cloisters

Dear Neighbour,

We are working on emerging proposals to refurbish and upgrade Chelsea Cloisters, enhancing its appearance with an attractive, thoughtfully designed mansard roof.

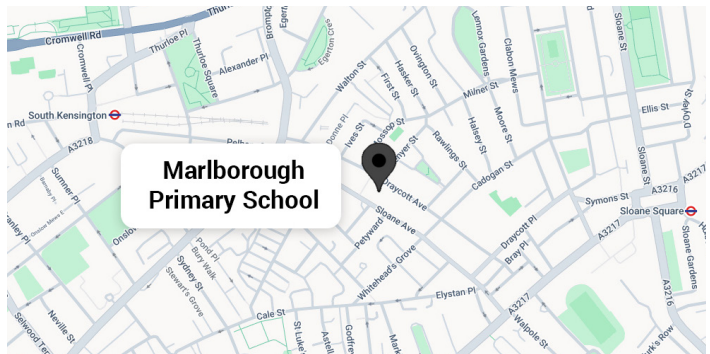

The plans include major aesthetic upgrades to the petrol station area and significant enhancements to the building's exterior, such as cleaning, repainting, repointing, and essential repairs. Additionally, a new gym, conferencing facilities, meeting rooms, and bookable workspaces open to the community are proposed.

We welcome your views
